

2020 Annual Delaware Nonpublic School Report

December 2020

The Delaware Department of Education (DDOE) collects annual attendance and enrollment reporting information for all Delaware nonpublic schools pursuant to 14 Del.C. § 2704. This self-reported information, as well as school and demographic data, is compiled into the Annual Delaware Nonpublic School Report.

Nonpublic schools (NPS) are defined in 14 Del.C. §2703A and 14 DE Admin.C. §255 and include single-family homeschools, multi-family homeschools and private schools. In order to have an open or active nonpublic school in Delaware, the NPS must register with the Delaware Department of Education (DDOE) as well as report enrollment and attendance annually.

Average Daily Membership (ADM) is reported as the total enrollment days per student per school. Average Daily Attendance (ADA) is reported as the total of days attended per student per school. The percentage of average daily membership and attendance is reported in the annual report.

The DDOE does not provide, endorse, accredit, approve or monitor curriculum for any nonpublic school (private or homeschool), or validate any type of credential provided by those schools. Students and parents/guardians must investigate the school themselves and ask if they are accredited. Students and parents/guardians may wish to contact a college, university, training program, licensing entities, or employer to determine if they will accept the diploma from the nonpublic school under consideration.

Additional Nonpublic School Data requests can be made by emailing NPS@doe.k12.de.us
